## Guidelines for the submission of Manuscripts to *Evolving Horizons*

1. An MS word version of the manuscripts (with British spellings) should be submitted to the Editor of *Evolving Horizons* via email at the address (es) given below:  
chowdhury.piku@yahoo.com / srcp.college@redifmail.com If required, the articles may be posted to:  
Satyapriya Roy College of Education, AA-287, Sector-1, Salt Lake, Kolkata - 700 064, West Bengal, India.
2. Evolving Horizons welcomes papers/ articles that have not been published elsewhere, or been submitted anywhere for publication at the time of being sent to *Evolving Horizons*  
Copies of letters granting permission to reproduce illustrations, tables, or lengthy quoted passages must be included with the manuscript.
3. Articles should be between 1500-2000 words in length.
4. The first page should mention the title of the article, the name of the author(s) and his/her affiliation(s). The contributor must provide his/her name, phone number, complete mailing address and email address for correspondence.
5. The style of numerical expressions should be consistent throughout the manuscript.
6. Notes should appear at the end of the text, before the references. Footnotes are not permitted. Each endnote must contain more than just one reference.
7. All references must be cited in the text or endnotes and must follow the APA style of referencing in the text.  
For Example: (Chomsky, 2010, p. 27) or (Halliday, 2010, pp. 56-57).
8. A detailed list of references in alphabetical order must be provided at the end of the articles, following the endnotes. All details should be provided: name of author, name of book / name of journal, issue number in the case of a journal, name of publisher, place of publication, year of publication and page number(s) in the case of a chapter from an editor book, journal or newspaper). For Example:  
Agnihotri, R. K. & Khanna, A. L. (1977), *Problematizing English in India*. New Delhi: Sage Publications.  
Gupta A. (1991). The failing of English as a lingua franca in India. In R. S. Gupta & K. Kapoor, (Eds.). *English in India : Issues and Problems* (pp. 58-80), Delhi : Academic Foundation.  
John, G. (1977, September 2). *In India the answer?* Youth Times, pp. 44-45.  
National Council of Educational Research and Training (2005). *National Curriculum Framework (NCF 2005)*. New Delhi: NCERT.
9. Page numbers for all direct quotations must be provided. Direct quotations of 45 words or more must be indented.
10. All tables and figures should be attached at the end of the manuscript following the list of references.
11. *Evolving Horizons* is a referred periodical. All manuscripts are subject to the usual process of anonymous review. Each contribution is also read by practising teachers for feedback. Any information that might identify the contributor should be avoided in the body of the article.
